Our service area includes the footprint of the former Carlisle Hospital & Health Services. The foundation began in 2001 with $58 million from the sale of Carlisle Hospital and related trusts. Since then, over $46.9 million in grants have been awarded.

Dear Community Members,

It is a joy and honor to celebrate the important work taking place throughout our region to improve health. This report is filled with the accomplishments of over 200 community partners and volunteers who are putting in the extra miles to ensure that everyone has the chance to live a vibrant, healthy life.

Reflecting upon 2022, we are ever mindful of the tensions and complexities of the world today, yet the day-to-day work happening in our towns and neighborhoods is courageous, inspiring, and abundantly positive. It affirms that our common interests and shared values are far greater than our differences. At the local level, we truly can make our communities more prosperous and equitable for everyone. As we are learning, it requires the curiosity to engage with others whose experiences are different from our own, and the investment of time and resources in ways that are genuinely empowering.

Highlights of the year include our deepening commitment to health equity grants, our seventh annual Match Madness campaign that raised over $768,000 for local nonprofits, and a sustained focus on initiatives addressing local food systems, rural health, and housing.

Central Pennsylvania is a special place. Time and again, we demonstrate that when we work together, we can build the resources we need to meet evolving needs. This report reflects our accountability to the community and our open invitation: we welcome learning from you.

Wishing you good health,
## OUR FUNDING PRIORITIES

The Partnership funds projects that focus on health equity, health access, and the social determinants of health to improve individual and community health.

### Build Healthy Communities

**$743,304** \[44 Programs\]

We support projects that enable people to live healthier lives. Priority is given to groups working collaboratively to create systemic change.

**Strengthen Health Capacities**

$128,000 12 Programs

We build the ability of organizations and collaborative partners to engage in comprehensive strategies that improve health.

- Appalachian Trail Conservancy, South Mountain Partnership
  - Capacity Building Training for Leadership Committee $5,000

- Carlisle Area School District
  - Elementary Student Assistance Program Trainings:
    - Bellaire Elementary School $4,000
    - Crestview Elementary School $4,000
    - Hamilton Elementary School $4,000
    - Letort Elementary School $4,000
    - Mooreland Elementary School $4,000
    - Mt. Holly Springs Elementary School $4,000
    - North Dickinson Elementary School $4,000

- CONTACT Helpline
  - Connecting More People to Health Resources and Services Through Phone System Technology $5,000

- New Hope Ministries
  - Road to Success CDL Certification Initiative $50,000

- Wellness at Work 2022-2023 (Year 17)
  - Employers Leading Wellness Activities $15,000

- YWCA Carlisle and Cumberland County
  - Strategic Planning & Capacity Building $25,000

**Spark of Change Mini-Grants**

$16,700 4 Programs

Our Spark of Change mini-grants intentionally focus on addressing health equity challenges, finding solutions, and amplifying voices at the neighborhood level. Neighborhoods have a shared history and collective community characteristics that set them apart.

- Hope Station Opportunity Area Neighborhood Council
  - Black Girl's Chronicles Empowerment Luncheon $5,000

- In Him Christian Wellness
  - Rewriting the Wellness Narrative $1,700

- Tomorrow's Neighbors
  - Rewriting Reentry $5,000

- YWCA Carlisle and Cumberland County
  - Human Library Experience $5,000
STRAIGHTIC INITIATIVES

As a catalyst for change, the Partnership convenes with the following groups to understand and address complex community issues.

Affordable Housing & Homelessness

In partnership with the Community Partners for Change Advisory Council, a new Strategic Plan has been created. The mission is to effect positive and sustainable change in the housing system by obtaining equitable, affordable, accessible, and secure housing for all Cumberland County residents. Goals include educating the community about housing needs; advocating for programs, policies, and funding; and acting on new opportunities.

Perry County Health Coalition

The coalition is dedicated to improving access to health services in Perry County. The United Way of the Capital Region joins with us as a proud funder of this work. In 2022, we commissioned a health assessment of leading factors influencing health conditions in Perry County. Visit our website to read the full report, executive summary, and call to action: https://forbetterhealthpa.org/resources/reports/

Cumberland County Food System Alliance

Convened by Shippensburg University’s Center for Land Use & Sustainability, the Alliance supports a sustainable local food system that advances economic vitality, food security, wellness, and community resilience. Through networking and collaboration, resource sharing, data analysis and assessment, and policy development, this group seeks to improve the local food system.

Commitment to Health Equity

Through the leadership of our inaugural Director of Health Equity, Dr. Marcellus C. Taylor, the Partnership is developing a full complement of health equity strategies. In 2022, this included the development of health equity grants and a series of Health Equity dialogues to understand and address regional concerns. It also included Diversity, Equity, Inclusion & Belonging (DEIB) trainings and a Health Equity 101 digital course. This complimentary, self-paced training is designed for individuals, teams, and organizations to develop an understanding of the dynamic nature of health equity.

Heather Swartz
Communications Director

The Partnership for Better Health celebrates the life of Heather Swartz for over 18 years of service to our organization. In honor of Heather, the Champions for Better Health Award category for Volunteer of the Year was renamed the Heather Swartz Volunteer of the Year. This award honors an individual or family who demonstrates exceptional leadership skills in their volunteer activities to advance the health and wellness of our region. Heather will forever be remembered as a kind human being whose life and legacy was truly dedicated to the service of others.

Ann Hess Myers
Gift Planning Officer

In 2022, we thanked Ann Myers for eight years of service to the Partnership and her incredible vision for Match Madness. This marked the seventh year of the program, which has raised over $3 million for our community. We are grateful to the hundreds of donors in our community who make this campaign a success for local nonprofits. Our signature sponsors, M&T Bank, The Josiah W. and Bessie H. Kline Foundation, and the McCormick Family Foundation make this work possible.
MATCH MADNESS
A total of $768,000 was raised through community donations to support core operating expenses, program funds, and community initiatives of area nonprofits!

GIFTS TO THE FOUNDATION

We are grateful for our generous donors and their support of critical healthcare programs and initiatives in our region. Thank you for your generosity!

The Partnership is dedicated to serving our region in perpetuity and we cannot do it alone. Charitable gifts directly support health programs in Cumberland, Perry, and Adams Counties, and the Greater Shippensburg area. Partnership Cornerstone Society donors are the keystone of our giving program and a foundation of support to our communities.
